WELCOME

The Adelaide Ram Sale is THE Premier Place to find top Quality Merino and Poll Merino Rams. Merino SA's studs confidently line up their Best Rams, with representation from South Australia's diverse climate areas.

In 2022, Merino SA celebrates its Centenary, and we are thrilled to present decades of experience, genetic knowledge and rams of beautiful constitution, conformation and wool quality. You can be confident that your attendance at Adelaide will result in top quality selections to suit your objectives and add real value to your breeding programme.

The Poll Merino is also the 'Feature Breed' at this year's Royal Adelaide Show and we couldn't be happier to showcase the dominance of this cornerstone of the Sheep Industry, evidenced by the lineup of exceptional rams presented for sale. Merino SA rams are profit-drivers consistently bred to be resilient in dry times.

In 2022, Studs are represented from both South Australia and Victoria, confidently offering their best young rams that have impressed agents, classers and breeders alike.

If you are looking to leapfrog your breeding programme, Adelaide is the Premier multivendor sale in Australia.

Make Adelaide your destination on the 9th of September.

Come, see and feel the difference.

10. For so long as any part of the purchase monies shall remain unpaid, the Vendor or his agent shall be at liberty to repossess any ram and for that purpose to enter upon any lands or premises of the Purchaser and to hold that ram at the Purchaser's risk and to resell the same with or without notice by public auction or by private treaty in such manner as the Vendor may determine and the Purchaser shall be liable for all losses and expenses arising out of any such resale and agrees to indemnify the Vendor and the Vendor's agent in respect thereto.

ORDER OF SALE

Just as the saying goes “You can’t judge a book by its cover”, nor should you judge a ram by its position in the Adelaide Ram Sale.

There are outstanding rams throughout the entire catalogue, their order determined by a number of factors.

If the stud entered sale rams in Adelaide the year previously, their position is determined by their total sale result, divided by 5*.

Highest average commences the current sale.

For example, stud A enters two rams in 2020 that sell for \$10,000 and \$15,000. Their average is calculated as \$5,000 ($\$25K / 5$).

Stud B may have entered 5 rams that each sell for \$9,000. Their average will be calculated as \$9,000 ($\$45K / 5$), so will be prior to stud A in the order of sale in 2021.

Averages are recorded on the number of rams offered*.

For new or lapsed vendors, their position follows the previous year’s entrants. South Australian studs are then listed alphabetically, followed by interstate studs in alphabetical order.

Your inspection of all rams presented in the Adelaide Ram Sale is highly recommended.

** Studs offering more than 5 rams have their average calculated on the number of rams sold divided by that number. eg 8 offered, 7 sold, sale result is divided by 7.*
