

NORTHERN SA

What: Northern SA Merino Expo
When: Thursday, August 7
Where: Victoria Park, Jamestown
Time: 10.00am to 4.00pm.
 Food available all day.

Last year there were over 20 Merino studs displaying their sheep in Jamestown. Also four local schools attended with their school wethers for a highly successful workshop and judging segment.

We are grateful to have Michell Wool again this year as our major sponsor for the 'Pen of Three Hogget Rams' competition. Other competitions on the day will be Merino SA Ram of the Year, and Best Hogget Ram. These are sponsored by local businesses and industry businesses, and we thank them for their past and continual support.

Many of our sponsors have also taken up the opportunity to set up trade displays on the day. These have ranged in the past from the latest in vehicles, sheep handling equipment, information technology to wool and sheep industry agents.

Mark your calendar; this day represents an excellent opportunity for everybody involved in the Merino industry from stud breeders, wool growers to industry service providers to catch-up and to gain knowledge and insight into the Merino industry and its future development along with inspecting rams selected for upcoming Merino sales.
