

# SOUTH EAST MERINO

**What:** South East Merino Field Day  
**When:** Wednesday, July 23  
**Where:** Keith Stadium & On-Property  
**Time:** Stadium – from 10am. Food available all day.

The South East Stud Merino Breeders Association would like to extend a warm invitation to attend the South East Stud Merino Field Day on Wednesday 23 July.

The majority of the studs will be displayed at the Keith Showgrounds. In addition, there are several studs that display on-property within a short drive from Keith.

Our field day is the biggest Merino field day in South Australia, with over 50 studs displaying in 2024. The day presents visitors with the opportunity to view many of South Australia's leading studs, from all over the state, just prior to ram selling season at the one location.

The South East Field Day sets itself apart from other field days in two ways. Firstly, there is no stock judging on the day, leaving more opportunity both for stud breeders to talk to prospective clients and more opportunity for visitors to view those top animals within each stud's display. Secondly, entry to the field day plus all food and drink is complimentary. There is no cost to anyone attending our field day and it is extremely well catered for due to terrific support from businesses supporting our industry.

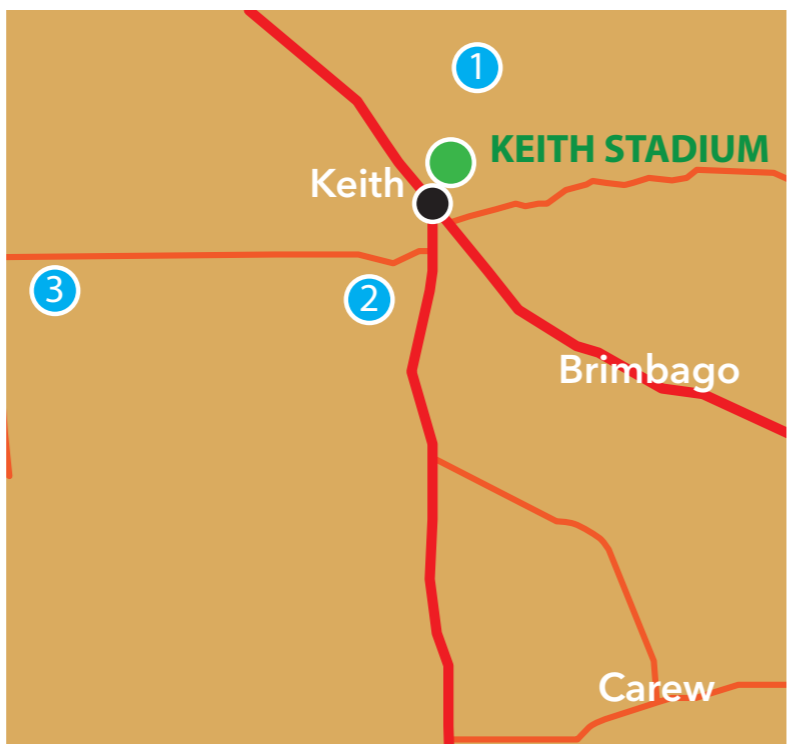

In addition to the stud displays are trade displays showcasing some of the latest technology influencing our industry. Trade representatives will be on-site to discuss the products and technologies on display.

In 2024, the South East Stud Merino Breeders Association celebrated its 60th anniversary. Many dignitaries were invited to attend our field day and a short official presentation allowed everyone to not only reminisce but also to consider how the event has evolved and grown over the years, which is something everyone involved with the association should feel proud of.

The Association would like to thank our major sponsor Elders who have been a major contributor to the Association from its inception. We would also like to thank all our sponsors that make our field day great. Your contribution is greatly appreciated.

Good luck to all our members with their ram sales in 2025 and we look forward to seeing everyone at Keith on 23 July.

**Peter Wallis, President**  
**The South East Stud Merino Breeders' Association**
